# LEGAL NOTICE

## **IF YOU WERE AN AT&T WIRELESS CUSTOMER AFTER MARCH 1, 1999, YOU COULD RECEIVE BENEFITS FROM CLASS ACTION SETTLEMENTS.**

**Para ver este aviso en español, visite [www.awssettlement.com](http://www.awssettlement.com) o llame 1-866-249-8109.**

Subject to Court approval, settlements were reached of class action lawsuits against AT&T Wireless Services, Inc. ("AWS") regarding challenges to: (1) charges for mMode Data Service ("mMode") and ENH Discount International Dial ("EDID"), if they were unauthorized or not understood; (2) charges for cellular telephone calls during a billing period other than the one in which the calls were made ("Out-of-Cycle Billing"), if not understood; and (3) imposition of Universal Connectivity Charges ("UCC"), if not understood (collectively, "Settled Claims"). The Settlements concern practices of AWS, which was merged out of existence in 2004, not Cingular Wireless or AT&T Mobility. AWS denies any wrongdoing, but settled to avoid further litigation.

### **You may be a Class Member if you:**

- live in the U.S. or its territories, were an AWS subscriber after December 20, 2001, and were billed and paid, but not refunded in full, for mMode or EDID;
- live in California, initiated AWS service under a "One Rate-type" plan after March 1, 1999, and were charged for calls during a billing period other than the one in which the calls were made; or
- live in the U.S. or its territories, were an AWS subscriber after March 1, 1999, and paid, but were not refunded or credited, for UCC charges.

You may be a member of multiple classes.

## **If the Settlements are approved, Class Members may receive:**

- mMode: \$8 check
- EDID: \$10 check
- Out of Cycle Billing: \$8 check or 250 minute calling card
- UCC: \$7 check

## **Who represents you?**

Class Members are represented by Arias Ozzello & Gignac, Foley Bezek Behle & Curtis, Breskin Johnson & Townsend, the Houck Law Firm, and Sundeen Salinas & Pyle. Class Counsel will request the Court to award attorneys' fees and expenses, which *will not* be paid by Class Members or from class benefits.

## **What are my options?**

To receive benefits, Class Members must submit a Claim Form (available at [www.awssettlement.com](http://www.awssettlement.com) or 1-866-249-8109) by February 13, 2011.

You may exclude yourself from the lawsuits and keep your individual right to sue AWS, by sending a written request for exclusion to the Claims Administrator by September 29, 2010. If you do not exclude yourself, you will be bound by the Settlements' terms and give up your rights to sue regarding the Settled Claims.

If you do not exclude yourself, you or your lawyer may appear before the Court and object to the proposed Settlements. If you choose to appear through an attorney, you are responsible for paying that attorney. Objections must be filed and served by September 29, 2010. You will be bound by the Settlements' terms even if your objection is rejected.

The Court will determine whether to approve the Settlements at a Fairness Hearing on November 15, 2010 at 12:00 noon at the United States District Court for the Central District of California at 312 N. Spring Street, Los Angeles, California 90012, Courtroom 5.
